

## Mr. Richard Doherty

Secretary-General  
CIRM

- Richard Doherty joined CIRM in 2013 as Chief Technical Officer and Deputy Secretary-General and was appointed Secretary-General in April 2022.
- His 15 years in the maritime industry have included both technical and commercial roles, and he has worked in software development, product management and business development.
- Richard regularly participates in IMO meetings on behalf of CIRM, and he is a contributor to IALA, IHO and IEC Technical Committee 80.
- He serves as an industry expert on BIMCO's Maritime Safety & Security Committee and represents CIRM on the MCP Consortium Advisory Board.
